## KEY SKILLS AND CHARACTERISTICS

---

- Meticulous
- Patience
- Computer skills (Python, C#, HTML, CSS, Javascript)
- Good communication skills
- Excellence academic skills in reading and listening

## INTERESTS

---

I enjoy listening to music as well as watching movies in English. Oftentimes, I read science or psychology research books, however, I prefer literary fiction because they are more entertaining. Whenever I have spare time I would go out with my friends to have a cup of coffee.
